Westlake Financial is offering customers a payment extension.

Dear JEREMIAH,

Our records indicate that your account is past due. **To help bring your account current,** Westlake is offering you a payment extension. Accepting the payment extension will:

- Bring your account current.
- Move your past due payment(s) to the end of your loan.
- May help avoid damaging your credit.

Payment Extension Terms: Please be aware that a deferred payment/extension will result in the assessment of additional interest each month, as more of your future payments will go towards interest than you originally anticipated. Therefore, if you receive a payment extension, there will be a balloon payment at the end of your scheduled term.

If you accept the terms and are interested in requesting an extension for the month of September, call us to 888-739-9192.
